

EAGLE ANNOUNCEMENT

2026-2027 class schedules and teacher assignments are now available on JMC!

We want you to know that each class placement is made thoughtfully, prayerfully, and with your child's unique needs and best interests at heart. Our team considers many factors to create balanced, supportive classroom communities where every student can thrive. Because of the care that goes into this process, we are unable to make changes to elementary class placements.
