

# EAGLE ANNOUNCEMENT

Dear ACA Families,

We hope you've had a wonderful summer with your family! We are eagerly anticipating the start of the new school year and look forward to welcoming you all back soon.

As we've shared, the heavy rains in early July caused significant damage to several of our elementary classrooms. As we've shared, the heavy rains in early July caused significant damage to many of our elementary classrooms. Since then, we have been working diligently to prepare the classrooms for the start of school. We are grateful for the progress that has been made in preparing these spaces for our students and teachers. However, there have been several circumstances outside of our control that have delayed the process.

Because of the unexpected delays, we have made the difficult decision to postpone the start of school to **Thursday, August 27**, based on the anticipated completion of the remaining work. As a result, our **Back to School Bash** has also been rescheduled for **Wednesday, August 26, from 4:00–7:00 p.m.**

We sincerely apologize for the inconvenience this causes for our families. Please know that this decision was not made lightly. We have spent time in prayer and carefully considered what is in the best interest of our students, teachers, and families. While we know a change to the school calendar can be disappointing and inconvenient, we are confident this additional time will allow us to provide a safe, welcoming, and fully prepared environment for our students.

Please note, if additional days are needed to meet state requirements (due to cancelling school throughout the year for snow days, etc.), those days may be added to the end of the school year. We will do everything we can to keep the final day of school as scheduled.

Seniors' last day will remain May 14, and graduation will remain May 15, 2027.

We know that God is sovereign and remains fully in control of every situation. He has ordained our days and has faithfully and perfectly orchestrated the year ahead. As we step into this new school year, we can move forward with confidence, knowing that His plans are good and that He will guide us each step of the way. As Proverbs 16:9 reminds us, "In their hearts humans plan their course, but the Lord establishes their steps." May we trust Him fully, seek His wisdom, and remain faithful to the purpose He has placed before us as we navigate these next few weeks.

Thank you so much for your patience and understanding. We are grateful for our school community and can't wait to see everyone on Wednesday, August 26 and officially begin the new school year together on Wednesday, August 27!
