

THE EAGLE UPDATE

Notes from Miss Teri

Another great week in preschool.

Book orders are due by end of the day TODAY (Friday, September 12).

Picture day is next week. All students need to be photographed even if you aren't planning to order any. Refer to the schedule below for when your child should be photographed. Remember, you are responsible to take your child to the main school campus to get their picture taken.

Please park south of the gym for picture day. We do not have a lot of empty parking spots for visitors, so our preschool parents will be parking in senior parking spots. We kindly ask that you leave promptly by 7:45 on Thursday and 7:30 on Friday so our seniors can park and get to class on time. Please plan to park there if you come during the day as well, as the east lot is for our staff, and the west lot is for underclassmen.
