State Volleyball School Schedule Information

We're nearing tournament time for volleyball, and we wanted to share our plans in the event that our team makes it to state this year. We realize our team still has one game to win before advancing to state, but we want to give our families plenty of time to make arrangements, if necessary. All state volleyball games are played in Iowa City, which plays a factor in our decisions.

If ACA wins on Wednesday and advances to state, the following will go into effect:

- ACA would dismiss at 2:30 on Tuesday, November 4.
- ACA would dismiss at 2:30 on Wednesday, November 5. If we dismiss at 2:30, we will not have chapel on this day.

If we advance to state and win our first game on Tuesday, November 4, the following will go into effect:

- ACA would dismiss at 2:30 on Thursday.
- School would be cancelled on Friday, November 7.

If we win on Wednesday, October 29 and lose our first game at state on November 4, we will still be dismissed at 2:30 on Wednesday and we will have a regular schedule on Thursday and Friday.

Aftercare will be available on Tuesday, Wednesday, and Thursday for those who are signed up for Little Eagle's Nest.

We realize there are a lot of variables, but we wanted to share our plans so you can be aware and begin preparations. If you have any questions, please let me know.

Go, Eagles!
